

## CORPORATE FINANCIAL ANALYST

**Quorum Information Technologies** is a North American company focused on developing, marketing, implementing and supporting its portfolio of software and services for automotive dealerships that includes:

- **XSELLERATOR™**, a Dealership Management System (DMS) that automates, integrates and streamlines key processes across departments in a dealership, and emphasizes revenue generation and customer satisfaction.
- **DealerMine CRM**, a sales and service Customer Relationship Management system and set of Business Development Center services that drives revenue into the critical sales and service departments in a dealership.
- **Autovance**, a sales desk system that increases sales department gross margins and improves customer satisfaction for dealerships.
- **Advantage**, a full showroom system for both franchised and independent dealerships and a comprehensive operating system that includes accounting for the independent market.

Quorum is traded on the Toronto Venture Exchange (TSX-V) under the symbol QIS.

Quorum is seeking a **Financial Analyst** for its Corporate Accounting division located in St. John's, Newfoundland.

In this position, the Financial Analyst will be a key member of the Finance department and whose responsibilities will include, but will not be limited to, budgeting analysis, forecasting and financial reporting. Reporting to the Chief Financial Officer, s/he will be directly involved in financial statement preparation including the analysis and interpretation of financial results to drive performance. The successful candidate will be a team player, who is customer-service minded and tactical.

The Financial Analyst will be guided in actions by solid business instincts, strong ethics and sound business judgment that come from experience. Able to quickly establish and maintain cooperative and productive working relationships within the department and at all levels of the organization, the Financial Analyst will bring sound technical accounting and finance skills to this role. S/he will reliably deal with conflicting priorities, roadblocks, and exhibit superior problem-solving skills

### Requirements:

- Bachelor's degree in Accounting or Finance; professional accounting designation considered an asset.
- 3-5 years relevant and progressive work experience in financial and/or cost accounting
- Experience with International Financial Reporting Standards
- Experience combining data from multiple sources
- Strong computer skills, including Microsoft Office Suite
- Strong communication skills, both verbal and written

Quorum focuses on developing innovative and integrated software tools and applications for our flagship customer and dealership management system. We couldn't do it without key employees that are as

enthusiastic about the technology as they are about our customers. Quorum offers competitive salary and benefits packages and an incredible work environment.

To apply for this position e-mail your **resume** to [hr@QuorumDMS.com](mailto:hr@QuorumDMS.com). Your e-mail must have “**Corporate Financial Analyst**” in the subject line.
